## How to Be a More Effective Witness to Your Faith

**Wednesdays 7 - 8:30 PM in Rooms A & B  
August 2, 9, 16, 23 & 30**

**a course by  
Donald J. Johnson**

**Talking about faith with friends and family members can be intimidating. What do you say if they have questions you can't answer or if they're outright hostile toward God?**

*In this 5 session course, veteran apologist Don Johnson provides a natural, relational approach to conversational evangelism that will help you avoid all the common roadblocks to effective outreach. It is based on material from Don's book How to Talk to a Skeptic, which Peter Kreeft called one of the most practical and profound apologetics books he had ever read.*

**A goodwill donation is encouraged. For more information, contact Patty Ledezma at 714.842.3000 x25 or parishlife@svdphb.org**
