## BEARING FRUIT

Few of us, even when we meditate on the image of the vine and branches, stop to really think about how God “prunes” us. For some there is the danger of thinking that we are already producing fruit for the kingdom, in deed and truth as John says, perhaps raising a family, being active in our parish, and so on. But even those branches which are bearing fruit, the Gospel tells us, can be pruned to produce still more. Today Saul, freshly “pruned” by his conversion, arrives in Jerusalem and meets resistance. Since he had been persecuting Christians, this was only natural. But even after he is accepted and begins to bear fruit, he meets further adversity, and his letters are filled with many accounts of how his trials “pruned” him to produce greater fruit for the kingdom. Like him, as long as we remain in Christ we will continue to bear fruit and, when the will of the Father determines it is time to prune us, the strength of the true vine must enable us to endure it.

## DEN FRUTOS

Pocos de nosotros, incluso cuando meditamos sobre la imagen de la vid y los sarmientos, nos detenemos a pensar realmente acerca de cómo Dios nos “poda”. Para algunos, existe el peligro de pensar que ya estamos produciendo frutos para el reino, de verdad y con hechos como dice Juan, tal vez criando una familia, siendo activos en nuestra parroquia y así. Pero incluso aquellas ramas que están dando sus frutos, nos dice el Evangelio, se pueden podar para producir aún más. Hoy Saulo, recién “podado” por su conversión, llega a Jerusalén y encuentra resistencia. Ya que había estado persiguiendo a los cristianos, esto era natural. Pero incluso después de que lo aceptan y comienza a dar frutos, se encuentra con más adversidad, y sus cartas están llenas de muchos relatos de cómo sus pruebas eran “podas” para que produjera más frutos para el Reino. Al igual que él, siempre y cuando permanezcamos en Cristo, vamos a seguir dando frutos y, cuando la voluntad del Padre, determine que es hora de que nos pode, la fuerza de la vid verdadera deberá permitirnos soportarlo.

# LOVE HAS NO LIMITS™

Love Has No Limits is a collaborative movement of faith communities uniting across So. California to provide the greatest display of love ever experienced. LHNL includes seven initiatives, the first of which is Foster Care. The need is profound. Thousands of children will be entering the foster care system as a result of the pandemic shutdown and hundreds more are stuck in the system wanting nothing greater than to be adopted. Caring for the vulnerable children is the work of the community. As those who have been blessed with much, it is our joy and privilege to bring blessing to these children.
